25th August, 2023// 3 भाद्रपद, 1945

Respected Madam/Sir,

As you may be aware, the launch of PM Gati Shakti - National Master Plan for Multi-modal Connectivity in October 2021, marked a significant milestone in our governance system. This visionary plan brings together 16 Ministries, including Railways and Roadways, for collaborative work towards integrated planning and coordinated implementation of infrastructure connectivity projects. Hon'ble Prime Minister is personally overseeing this transformative project, and it aims to achieve ambitious targets for infrastructure development in India.

As part of our continuous efforts to enhance the Gati Shakti portal, we are eager to include comprehensive sports infrastructure data from universities and colleges across the country. This will play a crucial role in fostering sports development and promoting a culture of fitness and well-being among the youth of our nation.

In light of this, we kindly request your esteemed institution to furnish the sports infrastructure data in the requisite format, which is attached herewith. Your cooperation in providing accurate and up-to-date information is vital in making the Gati Shakti portal a comprehensive platform for sports related data.

To streamline the data collection process, we have created a Google Form (attached) for your convenience. We earnestly urge to all the State Universities, Central Universities, Deemed to be Universities and Private Universities to utilize this form and submit the necessary information by 15th September, 2023 positively.

Furthermore, we request you to kindly extend this request to your affiliated colleges, seeking their sports infrastructure data in the prescribed format as well.

By joining hands in this endeavor, we can create a robust repository of sports infrastructure data that will aid the Ministry of Youth Affairs & Sports in formulating effective policies and strategies for sports development at various levels.
