# About the University...

(Established Vide Gujarat Act No. 24/2015)

(Gujarat State University)

Shri Govind Guru University was established by the Government of Gujarat vide Gujarat Act No. 24/2015. The Head Quarter of the University is Godhra Panchmahals. The Jurisdiction of the University spread over Five District of Gujarat State i.e. Panchmahals, Dahod, Mahisagar, Chhota Udepur and Vadodara (Rural). All the colleges/institutions situated in the above districts are affiliated with this University. At present 270+ Colleges are affiliated with Shri Govind Guru University.

## Vision :

The objects of the University shall be to develop the knowledge of different branches of Higher, Technical and Professional learning and research in relation to the different domains and their applications. The prime objects of the University shall be to create centres and institutes of excellence in the aforesaid areas in particular and other objects shall be as follows, namely:- To disseminate, create and preserve knowledge and understanding by teaching, research and training; To develop different patterns of teaching for a certificate or diploma courses, under graduate and post- graduate courses and at doctoral level and to maintain a high standard of education and its applications.

## Mission :

Education and research facilities for the heightening of craftsmanship, culture, language, medicine organisms, customs, ethnicities, forest based economic activities and technology of this region Worldwide status to the studies and researches of tribal culture Qualitative changes in social, educational and economic status of schedule tribe and tribal people Maximum growth of professional education and various disciplines of knowledge through quality enhancement centres. Collaboration of learning, teaching, research and training with contemporary professional fields.

# Convocation address by Hon'ble Chancellor & Governor Shri of Gujarat

## HONOURABLE GOVERNOR'S SPEECH

Honorable Governor Shri Devvrat ji commenced his talk with significant university achievements within eight years. He also congratulated all the degree awardees and the professors for the milestones. He highlighted the historical significance of the ancient educational system of India. He listed the ideal roles and responsibilities of the students from the context of the ancient Indian Knowledge System. He asked relevant and thought-provoking questions. He asked the students, "How will you contribute to the society?" He asked them to follow "सत्यं वद", encouraging them to compare the truth with the light. While highlighting the true significance of truth and karma, he emphatically stated, "The sun is not required to announce its presence as its light becomes the testimony of his magnanimous presence." He also defined 'dharma' as an act of being a responsible citizen and an ardent follower of the nation's duties. He further stated, "Produce the thing for others what you might produce for yourself." He presented a true picture of our honourable prime minister as a cloud that borrows salty water from the sea and pours it as sweet water into the desert. He attributed this quality of the cloud to our honourable prime minister, who established Shri Govind Guru University at a place considered an education desert. In the end, he advised the youth to honour the contributions of their parents and preserve old family traditions. He concluded his talk with a noble thought of natural farming and its practical implementation in the region.

# Felicitation of the Dignitaries on the Dias

# Address by the Guest of Honour Shri Ratansinh Rathod, MP- Panchmahal

## "Nurturing Future Leaders: A Commitment to Quality Education in Panchmahal"

Shri Ratansinh Rathod, the MP of Panchmahal, while addressing the gathering, expressed his pride and happiness at being part of the 5th convocation ceremony of Shri Govind Guru University, Godhra. He stated that the university, under the guidance of the Chancellor, Acharya Devvrat, who had significantly contributed to promoting natural farming across the country, had made remarkable progress. He further mentioned that the state government, under the leadership of the Chief Minister, and the central government, under the leadership of Prime Minister Narendra Modi, were committed to providing quality education to students in rural areas. He congratulated the gold medalists and expressed hope that Shri Govind Guru University would continue to produce more such talented individuals and contribute to the nation's progress.

# Welcome Address & Annual Report of the University by Hon'ble Vice - Chancellor Prof. Pratapsinh Chauhan

## Honourable VC Sir'S Speech...!

### "A Remarkable Journey of Academic Excellence"

Distinguished guests, honorable Governor of Gujarat and Chancellor of our university, Acharya Devratji, our esteemed Member of Parliament, Shri Ratan Sinh Rathorji, our beloved MLA of Godhra, Shri C.K. Raulji, the Registrar of this university, Dr. Anilbhai Solanki, our District Collector, Shri Ashish Kumar, the Superintendent of Police, all our invited guests, esteemed faculty members, deans, journalists, our gold medalists who are receiving their PhD degrees today, all our PhD holders, our esteemed students, trustees, donors, students, police personnel, and all our honored guests. This university, as many of you know, was established in 2015. Today, as we complete eight years of its existence, it is a matter of great pride to see 1100 students pursuing their PhDs. Among these, 258 students are receiving a research scholarship of four lakhs under the Chief Minister's Research Scheme. This university is now ranked third among 108 universities. From a humble beginning with 91 colleges, we have grown to nearly 300 affiliated colleges. This is the first university in the region to operate an ERP-based software system, ensuring paperless transactions for the past five years. The university has also set a benchmark in result declaration, consistently completing the process within 15 days. This is a testament to our commitment to efficiency and quality. Our focus on Gandhian values is evident in our simple and eco-friendly practices, such as using khadi and books instead of flowers for welcoming guests. Today, as we confer degrees on our students, and I feel extremely glad to witness this event.

We have 48 gold medalists and 41 PhD scholars who have brought laurels to our institution. I urge our students to become responsible citizens and contribute to the betterment of society. I would like to express my sincere gratitude to the Prime Minister for naming our university after Govind Guru. This has strengthened our connection with the local community. I believe that this university, blessed by Lord Hanuman, will continue to grow and prosper. Let's all work together to create a brighter future for our students and our nation. Thank you.
